Hello everyone,

The Human Resources Department has the pleasure of notifying you that ESS utilizes an automated absence management system. This greatly simplifies and streamlines the process of recording and managing absences, in addition to locating qualified substitutes teachers. This service is called Frontline Absence Management. The Absence Management service will be available to you 24 hours a day, 7 days a week and can be accessed via internet and phone.

How do I interact with Frontline Absence Management?

1. You can interact with Absence Management on the internet at <https://ess.com/absencemanagement/>. Here, you will be able to enter absences, check your absence schedule, update personal information, and exercise other features such as uploading your lesson plans for substitutes to view online.
2. You can also call Absence Management toll free at [1-800-942-3767](tel:1-800-942-3767). Simply follow the voice menu to enter and manage absences and access other features. We recommend that you call in to check the computer recording of your name and title. To do this, press Option 5 and follow the prompts (**Important Note:** Employees will need their Login ID and Pin # for accessing Absence Management).

When entering an absence, please wait until you receive a confirmation number before you terminate the phone call or close your internet browser window. **Your transaction is not complete until you receive a confirmation number.**

Absence Management will allow you to identify preferred substitutes. After logging in you will be able to access multiple user guides and videos through the hyperlinks located on the left hand side of the screen. We are confident that you will find the Absence Management experience beneficial and enjoyable.

District employees will be required to enter their own absences. The advantage of Absence Management is that it is extremely user-friendly and enables users to quickly enter absences. Absence Management also makes it simple to self-recover your password in the event you misplace it via the Absence Management website.

Upon your initial login, please check your personal information to ensure accuracy. You do have the ability to change your phone # and email address if necessary by logging in and selecting "Change Personal Information". Please know that when you do change your phone #, it will change your login ID as well.

If you have any questions, concerns, or comments; please contact ESS at SupportEast@ESS.com.

SCHOOL EMPLOYEE TIP SHEETS

Using Absence Management

School Employee - Creating an Absence

To access your Absence Management account, visit AesopOnline.com and sign in using the User ID and PIN provided to you. Follow the steps below to enter your absence.

1. Click the **Absences** tab at the top of your homepage and click **Create Absence** from the drop-down menu.

2. On the calendar, select the day of the absence. If entering a multi-day absence, click the start date and drag to the end date to ensure the same substitute fills the duration of the assignment. Selected days will be highlighted in blue.

3. Select your absence reason and the time frame of the assignment.

4. Choose whether or not your position requires a substitute.

5. Enter any notes to your school administrator or to the substitute in the boxes under **Notes & Attachments**.

6. Upload any pertinent files for the substitute.

7. A list of your absence date(s), your selected absence reason, and the start/end times of the assignment will appear in the right sidebar.

8. After verifying that all information is accurate, click **Create Absence** and you will receive a confirmation number.

The screenshot shows the 'Create Absence' interface. At the top, there are navigation tabs for 'Absence' and 'Account', and a 'Help' button. The main heading is 'Create Absence' with a sub-heading 'Wed, Feb 13 - Fri, Feb 15'. Below this is a calendar for February 2013, with days 13, 14, and 15 highlighted in blue. To the right of the calendar is a form for 'Absence Reason' (set to 'Sick>Family Ill') and 'Time' (set to 'Full Day'). Below the calendar is a 'Substitute Required' section with a 'Yes' button. The 'Notes & Attachments' section contains two text boxes for 'Notes to Administrator' and 'Notes to Substitute', each with a 255 character limit. Below these are 'File Attachments' sections for 'Uploaded Files' and 'Related Files', with a 'DRAG AND DROP FILES HERE' area and a 'Browse...' button. On the right side, an 'ABSENCE SUMMARY' sidebar displays the selected dates, reason, and time. At the bottom, there are 'Create Absence' and 'Cancel' buttons.

School Employee - Canceling an Absence

To access your Absence Management account, visit AesopOnline.com and sign in using the User ID and PIN provided to you. Follow the steps below to cancel an absence that is scheduled for a future date.

1. On the interactive calendar on your homepage, click the date of the absence you want to cancel.
2. An information box will appear displaying the details of your absence.
3. Click the red **Delete** button.
4. A confirmation window will appear. You must click **Yes** to confirm that you want to remove the absence. Once confirmed, the absence will be canceled and if it's already been filled, the substitute will be notified of the cancellation.

School Employee - Preferred Substitute List

Through Absence Management, you can create a list of substitutes who will be able to accept your assignments prior to the general population of substitutes, as long as they meet the following qualifications:

- Substitute must be available for the entire length of the absence.
- Substitute must not have a “non-work day” scheduled.
- Substitute must meet all state certification guidelines.

The amount of time assignments are held for your preferred substitutes depends on the amount of time allotted between absence submission and assignment start. Also keep in mind that substitutes may be on several preference lists. Therefore, the earlier an assignment is created, the likelier one of your preferred substitutes will fill the assignment.

You may add as many substitutes to your preferred list as you’d like, but it is important to rank your top five “favorites.” As soon as you submit an absence, the assignment can be viewed and accepted by **anyone** on your preferred list, regardless of ranking. In addition to being able to view your assignment in advance, your “Favorite Five” will receive a notification email/call from Absence Management.

If you have a specific substitute in mind for your assignment, please make sure this substitute is the only person on your preferred list.

1. Click the **Account** tab at the top of your homepage.

2. Click the **Preferred Substitutes** tab in the left sidebar to access your list.

3. Click the **Add Substitute(s)** button.

4. The **Add Substitutes** window will appear. To search for a substitute, begin typing the substitute’s last name in the search box. You need to enter a minimum of two characters before the search begins.

5. Click the box next to the substitute you want to add to your preferred list.

6. Repeat steps 4 and 5 until you’re finished adding to your list. When you’re ready to apply all of your changes, click the **Add to Preferred Substitutes** button.

The screenshot shows the 'Preferred Substitutes List' interface. At the top, there are navigation tabs: Home, Absences, Account (highlighted with callout 1), Directory, and Frontline Support. On the left sidebar, there are options: Personal Info, Change Pin, Shared Attachments, and Preferred Substitutes (highlighted with callout 2). The main content area is titled 'Preferred Substitutes List' and includes a description: 'Substitutes included on this list will be given preferential treatment by Aesop when attempting to fill your absences. You can order up to five subs as your top favorites. If they are qualified and available, Aesop will notify them immediately when you register an absence. Note: The number of favorites you can select and how they are notified may vary based on your school district's preferences.' Below this is a table with columns 'Order', 'Name', and 'Select'. The table contains two rows: '1 Doe, John' and 'Smith, Jane'. A green button 'Add Substitute(s)' (callout 3) is located above the table. Below the table, there is an 'Add Substitutes' window. It has a search box 'Search: Last Name...' (callout 4) and a 'Back to Preferred Substitutes' button. Below the search box is a 'Search by Letter' section with buttons A through J. A 'P' button is selected, and a list of substitutes is shown: 'Baker, Todd' with a checked checkbox (callout 5). To the right of this list is a 'SELECTED SUBSTITUTES' section showing 'Baker, Todd' with a red 'x' button. A green button 'Add to Preferred Substitutes' (callout 6) is at the bottom right of the window.

Ranking Your Preferred List - Favorite Five

As previously noted, you may add as many substitutes to your preferred list as you'd like. From your list, we recommend choosing your "Favorite Five" (or any number up to five).

While everyone on your preferred list has the ability to view and accept assignments as soon as you submit them in Absence Management, your "Favorite Five" substitutes have the added advantage of getting an email notification and/or phone call from Absence Management which makes these substitutes the likeliest to see your assignment first.

Note: The ranking of your favorite five designates the order in which they will receive phone calls; emails will be sent out simultaneously to all of your favorite substitutes, regardless of rank.

1. Once you've added substitutes to your preferred list, you can choose your Favorite Five by clicking the heart next to up to five substitutes' names. Your favorite substitutes will automatically rise to the top of your list.
2. A small number will appear to the right of the heart to designate the order in which your favorite substitutes will be called by Absence Management.
3. If you would like to change the ranking of your Favorite Five, click the dots to the left of the heart and drag to reorder the names on your list.

Preferred Substitutes List

Substitutes included on this list will be given preferential treatment by Aesop when attempting to fill your absences. You can order up to five subs as your top favorites. If they are qualified and available, Aesop will notify them immediately when you register an absence. Note: The number of favorites you can select and how they are notified may vary based on your school district's preferences.

Order	Name	Select
1	Doe, John	<input type="checkbox"/>
2	Smith, Jane	<input type="checkbox"/>
	Baker, Todd	<input type="checkbox"/>

Reminder:

If you have one particular substitute in mind to fill your assignment, make sure that substitute is the **only** substitute on your preferred list. Click the heart next to the substitute's name to ensure Absence Management proactively communicates your assignment to the substitute.
